

Chris Eastabrook

coaching - river leading - paddling

Scotland - Easter 08

This 4 day adventure is designed not only to arm you with some new techniques but also to open the white water of Scotland to you. On the trip we shall simply go boating, coaching as we go, working on new skills, and improving you as a paddler.

Slovenia - July 08

The River Soca is home of crystal clear blue water and some of the best white water in Europe. The aims of this trip over the week are to build upon your existing skills and experience in a new & exciting location, but safe & educational environment.
